

The Write Eye

The Write Eye beta! Welcome to the latest version of the popular physics website for the layman

We have moved!

Posted on 8 February 2011 by V.H.Belvadi

Things change for the better!

The Write Eye is now *The Scientific Papers!* We have moved [here](#).

Please do not forget to change the necessary details in your bookmark!

[P.S. All archived articles from The Write Eye are still available.]

Comment!

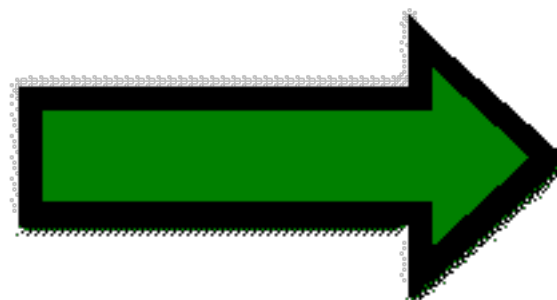

Your comments are important: they are what ignite a healthy, knowledgeable discussion!

Please comment on the post you are reading by clicking on the 'Leave a Comment' button at the end of each post (pictured below.)

Also, please take time to read the [Comments policy](#)
